

Intestines in a Jar

Everyone will be grossed out when you set this “bloody” decoration on the table. Don’t be surprised if your friends start counting heads to find out if anyone’s missing.

What You Need:

- scissors
- 1 pair flesh-colored pantyhose
- newspaper
- clear canister or jar
- 2 32-ounce (930-mL) boxes red gelatin mix
- large liquid measuring cup
- saucepan
- 2 cups (480 mL) boiling water
- wooden spoon
- 2 cups (480 mL) cold water
- chunky salsa

Step 1: Cut the legs off a pair of pantyhose. Stuff each leg with crumpled newspaper. Tie off the ends of each leg.

Step 2: Place the stuffed pantyhose into a clear canister. Wrap them in circles until they look like coiled snakes.

Step 3: Empty the gelatin packets into a measuring cup.

Step 4: Have an adult boil 2 cups of water. Pour the boiling water over the gelatin mix and stir for one minute with the spoon. Add 2 cups of cold water and stir.

Step 5: Pour the gelatin mixture evenly over the stuffed pantyhose. Refrigerate for at least four hours.

Step 6: Remove canister from the refrigerator. Pour chunky salsa on top of the intestines.

TIP: Before you tie off the ends of the pantyhose, insert some fake bugs or rats. People will wonder what kind of creature the intestines came from!
